

**Remarks**

The above-identified application has been amended in minor respects. The amendments relate to the fact that the application was translated from Japanese (Kanji characters) and certain minor inconsistencies resulted. The inconsistencies have now been corrected.

In response to the Notice To File Missing Parts Of Application of March 31, 1997, a copy of which is enclosed, Applicants herewith submit an original signature executed Declaration identifying the application by title and filing date. Also attached is a copy of the specification as originally filed.

Since the fee for filing an incomplete application was tendered at the time of filing, no additional monies are now due.

Consideration and entry into the record are earnestly solicited.

Respectfully submitted,

**FELFE & LYNCH**
